Kings Camps Multi-Active Equipment List

For camps up to 120 children

This list is a packing guideline, we understand that equipment can be lost or damaged during a season but if there are any major discrepancies, please inform the Operations Team. Use the 'Packing down your camp' PDF resource to help you pack effectively (this can be found on Manager's Portal). Any equipment that is damaged but can be repaired, please place in damaged bag which can be found in your Manager's Box. Leave the bag with your equipment to be collected.
